Glavin

A framed cross-stitch artwork on a light-colored fabric background. The central text is arranged in two lines: "First I drink the coffee" and "then I do the things". The text is surrounded by numerous decorative motifs, including stylized flowers, birds (a red bird, a black bird, and a yellow bird), geometric patterns (triangles, diamonds, and zig-zags), and a small clock face. The entire piece is enclosed in a dark wooden frame.
